Fair Opportunity	FAR 16.505(b) (1) provides that each contractor shall be given fair opportunity to be considered for each order exceeding \$3,000 and issued under multiple award contracts. The FAR states that the method to obtain fair opportunity is at the discretion of the CO and that the CO must document the rationale for placement and price of each order. The SEWP online RFI/RFQ tool is the recommended method to assist in this activity and to augment the required decision documentation. The SEWP RFI/RFQ tool will automatically include the Contract Holders within a selected Group or based on a suggested source.

There is a requirement that all SEWP Delivery Orders be routed through the NASA SEWP Program Management Office (PMO) to insure all ordering information is complete, accurate and in scope with the applicable contract. However, NASA does not issue orders for other agencies under the SEWP contracts, and other Federal Agencies do not send funds to NASA. Each SEWP Delivery Order is funded and issued to the SEWP Prime Contractor by a Contracting Officer at the ordering Federal Agency.

As of March 2, 2015, the SEWP surcharge for all orders is a 0.39% The fee is included in the price of all products and is not separately listed on quotes. It is the Contract Holder's responsibility to pay the fee from their quoted product prices.

Please visit www.sewp.nasa.gov to view the SEWP Training Video for a comprehensive walk-through of the website and tools, as well as SEWP V Terms and Conditions and complete ordering instructions.
